

Who can benefit from a Bluestone Leasing Education Rental Plan?

Most educational organisations

What are the benefits?

Fixed payments for the contract duration; increase the buying power of your annual budget; match the payments to the useful life of the equipment to protect against obsolescence.

What is the minimum order value?

£1000 + VAT.

What is the maximum order value?

There is no maximum.

What is the length of the Rental?

Typically 12 to 36 months.

Is a deposit required?

No, the first payment will be due upon delivery of the equipment.

What are the payment patterns?

Monthly, Quarterly, Termly, or Annually – you can choose the most suitable.

What is the equipment mix that can be financed?

IT hardware and software, whiteboards, projectors, furniture and interiors, gym and sports equipment and any other equipment to form part of your educational solution.

Is it possible to upgrade the equipment during the term of the Rental?

Yes, an upgrade option is available.

What are the options at the end of the Rental?

Upgrade the equipment, return the equipment or extend for a further period.

Bluestone Leasing have a unique partnership with the e-Learning Foundation in conjunction with one of our newest products, Access 4 Students. A programme aiming to enable every child in the UK to have access to a PC.
